

# Multi-Access Edge Computing (MEC) Overview

COURSE OUTLINE

## Course Details

**Name: Multi-Access Edge Computing (MEC) Overview**

### **Module 1: Introduction to Edge Computing**

Topics discussed in this module are listed below:

- MEC Benefits

  - MEC ETSI Framework

  - MEC vs C-RAN

- MEC Standardization Bodies

### **Module 2: MEC Architecture**

Topics discussed in this module are listed below:

- MEC in 5G System

  - Architecture Mobile Edge Host

- Mobile Edge Services

### **Module 3: MEC Use Cases**

Topics discussed in this module are listed below:

- Augmented Reality

  - Intelligent Video Acceleration

  - IoT Gateway
